Course Presenters:

Lauren Valenzuela, with Acutate Law is a licensed attorney and a regulatory and compliance specialist for the financial services industry. Having served as general counsel for many years in the financial services industry, Lauren has a breadth of experience advising on compliance with federal and state consumer protection laws, government regulation and affairs, state licensing requirements, data privacy, litigation defense, labor and employment issues, transactional matters, and business strategy. Her background makes Lauren uniquely positioned to help companies operationalize compliance across an organization. Her hands-on experience leading cross-functional teams to design, implement, and test policies, procedures, processes, and compliance management systems gives Lauren a unique perspective that is sensitive to the realities companies face when determining how to best mitigate risks while optimizing resources.

Sara Woggerman, Owner and President of ARM Compliance Business Solutions, works with organizations to drive compliant business practices through her consulting solutions. Sara's personalized approach prepares financial institutions for regulatory examinations, manage litigation risk, and improves the consumer experience. Sara is known for her passion in helping companies overcome their unique compliance and operational challenges through delivery of compliance risk assessments, policy development, service provider management and oversight, and executive level training programs designed to help financial services companies mitigate risk and maximize efficiency.
