

Educational Programs

Sponsor an RMAI Webinar and Showcase your Company!

The Receivables Management Association International (RMAI) offers an array of educational programs for those seeking their Certified Receivables Compliance Professional (CRCP) designation or wanting to gain additional professional education. Educational programs presented by webinar are available to registrants in both live and recorded formats. RMAI presents at least one new webinar every month.

RMAI webinar sponsorship provides an exclusive opportunity to showcase your company to a captive audience for an entire year. First, we promote your sponsorship of the live webinar. Then we promote your sponsorship for 12 months by offering the recorded webinar online.

Sponsor Benefits

When you sponsor a webinar, you receive a variety of benefits including:

- ✓ Logo placement on the live webinar marketing flyer, weekly e-blasts and social media posts distributed to over 1,500 industry professionals and made available on the RMAI website
